Belgium, Bulgaria, Estonia, France, Croatia, Ireland, Iceland, Cyprus, Liechtenstein, Lithuania, Monaco, Netherlands, Norway, Germany, Portugal, Austria, Greece, Slovenia, Spain (including Balearic Islands), Switzerland

## With a very high risk of COVID-19 infection (dark red color)

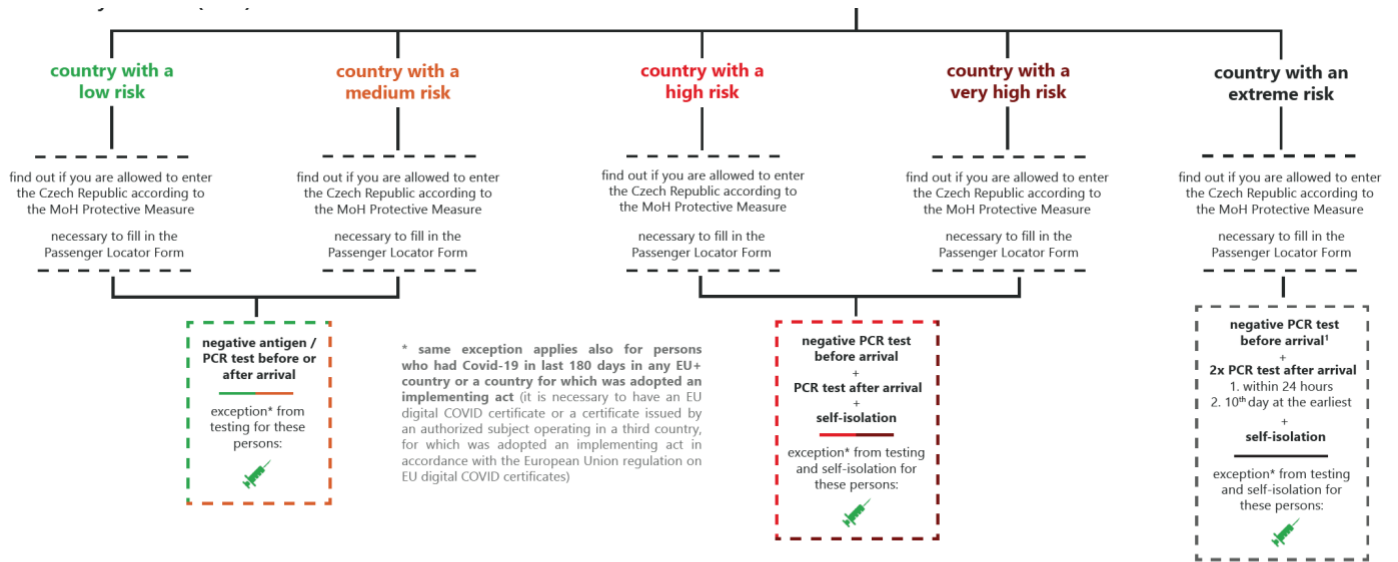

all other states and territories of the world not listed above or below.

## With extreme risk of infection COVID-19 (black color)

currently none (14.9.2021)...

Groups of persons, who do not have the obligation to undergo testing and self-isolation after the arrival:

- vaccinated persons** - 14 days after the application of the last dose - according to these rules:
  - vaccinated in the EU+ - it is necessary to have an EU digital COVID certificate
  - vaccinated outside of the EU+ - it is necessary to have an EU digital COVID certificate or a written confirmation whose sample is published on the Ministry of Health website; **only vaccinations approved by EMA or products produced in compliance with the patent of the approved vaccinations are accepted**

**Rules for testing:**

**Testing before starting the travel to the Czech Republic:**

- 1) PCR no older than 72 hours
- 2) antigen no older than 48 hours

**Testing after arrival to the Czech Republic** - within 5 days after arrival from countries with a low and medium risk and 5<sup>th</sup> day after arrival from a country with a high or very high risk at the earliest

**Self-isolation** - until receiving a negative result of a test undergone in the Czech Republic; time periods for undergoing testing in Czechia are mentioned above

Travellers from all countries have an obligation to fill in the Passenger Locator Form before the arrival.

There are several exceptions from the obligation to fill in the Passenger Locator Form or undergo testing. **All rules and exceptions can be found in the Ministry of Health Protective Measure.**

A list of countries with a low, medium and high risk of Covid-19 transmission and list of countries with an extreme risk of Covid-19 transmission can be found here. **A country listed in neither list of countries is considered as a country with a very high risk of Covid-19 transmission.**

**Email hotline:** [cestovani.covid19@mvcr.cz](mailto:cestovani.covid19@mvcr.cz)

### Waiting time

● No queue ● Approximately 5 minutes ● More than 10 minutes

8:00 9:00 10:00 11:00 12:00 13:00 14:00 15:00 16:00

\* The waiting times are approximate and are based on the average number of calls per month

## List of Participants

### Tuesday, October 19

Jeremy Koons (Georgetown University – Qatar) / Low risk

Alan McDonald (University of Manchester) / Very high risk

Ulf Hlobil (Concordia University) / Low risk

Robert Brandom (University of Pittsburgh) / Very high risk

*Jaroslav Peregrin (University of Hradec Králové)*

Dave Beisecker (University of Nevada, Las Vegas) / Very high risk

### Wednesday, October 20

Yannick Kohl (University of Luxembourg) / Medium risk

*Ladislav Koreň (University of Hradec Králové)*

Marlene Meyer (Georg-August-Universität Göttingen) / High risk, Jan Engelmann (Berkeley University of California) / Very high risk, Marina Proft (Georg-August-Universität Göttingen) and Hannes Rakoczy (Georg-August-Universität Göttingen) / High risk

Bahar Köymen (University of Manchester) / Very high risk

Giacomo Melis (University of Stirling) / Very high risk

*Preston Stovall (University of Hradec Králové)*

### Thursday, October 21

Jag Williams (Independent Scholar) / Very high risk – He is probably going to travel from UK

Molly O'Rourke-Friel (University of Massachusetts Amherst) / Very high risk

*Michal Hubálek (University of Hradec Králové): "The Evolution or History of "Why"? Neither, and Both!"*

Hilary Kornblith (University of Massachusetts Amherst) / Very high risk

Jenny Zhang (University of Edinburgh) / Very high risk

Pietro Salis (Università di Cagliari) / Medium risk

**Friday, October 22**

Marco Fenici (Independent Scholar) / Medium risk – He is probably going to travel from Italy

Lilian O'Brien (University of Helsinki) / Medium risk

Elizabeth Cantalamessa (University of Miami) / Very high risk

Josef Perner (University of Salzburg) / High risk

Mark Risjord (Emory University) / Very high risk
